

MEMORANDUM

TO: THE FEDERAL ELECTION COMMISSION

FROM: THE NATIONAL REPUBLICAN CONGRESSIONAL COMMITTEE

DATE: 11/13/09

The National Republican Congressional Committee previously notified the Federal Election Commission that the Committee was conducting a review of its financial records for 2007 and 2008. This review, completed as of January 1, 2009, has enabled the Committee to refine the initial adjustment to its cash on hand reported in March 2008.

Upon conclusion of this comprehensive review, the Committee was able to determine that its reconciled cash-on-hand for January 1, 2009 was \$857,845.78, and in filing its February 2009 monthly report, the Committee added \$97,995.39 to its January 1, 2009 beginning cash balance. All subsequent monthly FEC reports filed in 2009 have and will continue to reflect this amount of \$857,845.78 as the correct and verified cash-on-hand as of January 1, 2009.
